# Director's Note

Directing this awesome cast has been like having one continuous 'spend the night' party with your best friends! We've laughed, we've cried, we've told secrets and been all up in each other's business from the beginning of February... and it has been wonderful! Thank you for allowing me to walk into Truvy's beauty parlor and have a front row seat to her all encompassing warmth, M'Lynn and Shelby's love for each, Annelle's personal journey, and Clairee and Ouiser's life-long friendship. It has been a pleasure ladies! Steel Magnolia's forever!

*Kim Fuller, Director*

The action of the play takes place in Truvy's beauty shop  
in Chinquapin, Louisiana in the 1980s
